

## VERSACOLD EXPANDS PRESENCE WITH NEW FACILITY IN MONTREAL

Toronto, Ontario, August 30, 2016 — VersaCold Logistics Services, Canada’s largest supply chain solutions company focused exclusively on the handling of temperature sensitive products, announced today that it has purchased a new facility in Montreal, Quebec. The new facility, located at 5757 St-Francois Street, will be fully operational as of September 1<sup>st</sup>, 2016.

With optimized warehouse racking configurations, the new facility will provide up to 10,000 additional pallet positions in the Quebec market. The new facility is VersaCold’s fourth in the province and 30<sup>th</sup> in Canada.

“We are very excited to launch this new facility and to more comprehensively support the growth of the Quebec marketplace,” said Douglas Harrison, President and CEO of VersaCold. “The new location will enable us to fulfill the growing needs of our current customers and will provide great opportunities for future business growth – not only in Quebec, but across North America. 2016 has been a momentous year for VersaCold and a true demonstration of our mission and vision – to be the fastest growing organization of our kind in Canada and to be our customer’s most trusted and reliable long-term partner by providing new and innovative solutions and services.”
