

VERSACOLD NAMED ONE OF *FOOD LOGISTICS*' 2016 TOP 3PL & COLD STORAGE PROVIDERS

Toronto, ON, August 16, 2016 — VersaCold Logistics Services, Canada's largest supply chain solutions company focused exclusively on the handling of temperature sensitive products, announced today that it has been named a 2016 Top 3PL & Cold Storage Provider by *Food Logistics* – the only publication exclusively dedicated to covering the movement of product through the global food supply chain.

The 2016 Top 3PL & Cold Storage Providers list serves as a resource guide of third-party logistics and cold storage providers whose products and services are critical for companies in the global food and beverage supply chain.

“The global food supply chain is responding to new challenges associated with food safety regulations along with changing consumer demands for more fresh, healthy and locally-sourced options,” said Lara L. Sowinski, Editorial Director of Food Logistics and Supply & Demand Chain Executive. “The companies on our 2016 Top 3PL & Cold Storage Providers list are among those in our industry who are expanding their capabilities and expertise to better support the complexities of today's global food supply chain.”

“We are honoured to be recognized as a 2016 Top 3PL & Cold Storage Provider by Food Logistics – one of North America's leading and authoritative industry publications,” said Douglas Harrison, President & CEO of VersaCold. “We are proud to play a key role in ensuring the integrity, quality and freshness of some of North America's most beloved food brands through exceptional food safety and cold-chain quality assurance. Recognition like this further drives our commitment to the continuous improvement and innovation of our services and to enabling our valued customers to achieve outstanding business success and peace of mind so they can focus on what matters most – the families around the world who enjoy their products.”
