

VERSACOLD NAMED ONE OF FOOD LOGISTICS' 2016 TOP 3PL & COLD STORAGE PROVIDERS

Toronto, ON, August 12, 2016 -- VersaCold Logistics Services, Canada's largest supply chain solutions company focused exclusively on the handling of temperature sensitive products, is proud to announce that it has been named one of *Inbound Logistics'* Top 100 Third-Party Logistics Providers for 2016.

Inbound Logistics' Top 100 3PL Provider's list serves as a qualitative assessment of service providers that the publication feels are best equipped, and have the diverse operational capabilities and experience to, meet and surpass the evolving outsourcing needs of its readers. The Top 100 is chosen through careful evaluation of submitted information, personal interviews and online research. *Inbound Logistics* then compares that data to its readers' burgeoning global supply chain and logistics challenges.

"We are extremely excited and proud to be recognized as a top third-party logistics provider by Inbound Logistics – one of the industry's most trusted publications," said Douglas Harrison, President & CEO of VersaCold. "Recognition like this reinforces and further drives our commitment to being our customer's most trusted and reliable long-term partner by providing new and innovative solutions and services that enable them to achieve outstanding business success."

"VersaCold continues to provide the logistics, transportation, and supply chain solutions Inbound Logistics readers need to achieve the visibility and control that drives successful supply chains," said Felecia Stratton, Editor, Inbound Logistics. "VersaCold was selected as a 2016 Top 100 3PL Provider because it is flexible and responsive, anticipating customers' evolving needs with innovative solutions empowering logistics and supply chain excellence."

About VersaCold Logistics Services:

VersaCold is Canada's largest end-to-end supply chain solutions company focused exclusively on the handling of temperature sensitive products. VersaCold delivers a suite of fully integrated logistics services through its national network of industry leading facilities, transportation fleet and advanced technologies that set the benchmark for accessibility, information visualization, real-time tracking and inventory management. Empowered by its commitment to exceptional service, performance driven culture and dedicated focus on continuous innovation, VersaCold is a trusted and valued partner to its clients – enabling business strategies and revenue growth within highly sensitive and regulated environments. VersaCold is proud to play a key role in ensuring the integrity, quality and freshness of some of North America's most beloved food brands – protecting the health and wellness of families from east to west coast – through exceptional food safety and cold-chain quality assurance.
